To:

HR,

Easy Coach.

Dear Sir/Madam

I am writing to express my interest in the booking clerk position at Easy coach as advertised on social media. I am currently pursuing a degree in Information and Communication Technology Management at Maseno University, and I am eager to apply my academic and hands-on experience to contribute to your team. With my strong foundation in database management and customer service skills, along with my passion for technology, I am confident in my ability to add value to your company.

Through my coursework, I have gained a comprehensive understanding of various IT concepts including workflow systems, E-commerce and data analysis. I have applied this knowledge through several hands-on projects, including developing a lost and found management system where I improved user experience. These experiences have honed my problem-solving skills and ability to work effectively both independently and in team settings.

I am particularly excited about the opportunity to work at Easy Coach because of your vision to be Kenya's leading provider of safe, reliable, and affordable transportation.

I would welcome the opportunity to discuss how my skills, academic background, and enthusiasm for technology can align with the needs of your organization. Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to Easy Coach. Please feel free to contact me via email at [mwaurawamuthondu07@gmail.com](mailto:mwaurawamuthondu07@gmail.com) to schedule an interview.

Sincerely,

Keneth Denis.
